

18th HOMEDECO 2026 — The Premier Show and Profound International Exhibition Uniting the Key Players of the Home Textiles and Decoration Industry in Central Asia

From February 16 to 18, 2026, the **18th HOMEDECO 2026 international exhibition for Home Textiles and Decoration** will take place at Pavilions 9 and 10 of the ATAKENT EXPO International Exhibition Center in Almaty, Kazakhstan. This is the most prominent sectoral industry event in Central Asia, bringing together manufacturers, suppliers, designers, wholesale buyers, and retail representatives from across the region and its surrounding geography.

The 18th HOMEDECO 2026 exhibition will once again serve as a premier professional international business networking platform for manufacturers and suppliers of home textiles and decorative items, allowing them to showcase new collections, strengthen their brands, expand their customer base and dealer networks, and enter new markets.

The Event attracts a voluminous professional sectoral visitors and wholesale buyers, including distributors, store owners, interior designers, architects, product developers, and retail representatives from the hospitality and foodservice (HoReCa) sector. Participation in the 18th HOMEDECO 2026 presents unique opportunities to strengthen brand positions on the international stage, stimulate sales growth, establish direct business contacts, and engage in meaningful dialogue and interaction with the target audience and buyers.

The 18th HOMEDECO 2026 exhibition covers a wide range of products for interior design and home textile furnishing, including key product groups such as:

- * Home textiles (bedding, blankets, bedspreads, quilts, pillows, comfortable sleep products),
- * Curtains, tulle, cornices, and window accessories,
- * Furniture, upholstery, and decorative fabrics,
- * Wall and floor coverings,
- * Carpets, Wall and floor coverings,
- * Textiles and supplies for HoReCa,
- * Sun protection systems,
- * Decorative lighting and accessories
- * Interior decoration items, comfort elements, and space fragrance,
- * Components and fittings for the Homedeco sewing industry.

Within the framework of the 18th HOMEDECO 2026 exhibition, professional competitions, keynote speaker programs, and creative exposition activities will also be held. Among them are the GOLDEN TEXTILE AWARD home textile competition and awards for textile decorators, "Design Formula" speakers' program, unique trend zones dedicated to demonstrating how traditional motifs can harmoniously combine with modern design trends, as well as special showcase areas from professional associations and design studios.

The organizers invite manufacturers and suppliers to participate in the 18th HOMEDECO 2026 — a key professional global business platform for developing the home textile and decoration industry in the Central Asia region, and annually influences interior trends and promotes the growth of international business communication and cooperation, and studying the latest industry trends in the home textile and decoration industry.
